## Burlesque on Court Hearing is Presented

"Mergerites" Buffeted Lustily in Climax of Skit by Home Rulers

### FLEER GIVEN PLAQUE

A community celebration to observe the successful outcome of the merger case, marking also the 40th anniversary of the borough, was staged by the Narberth Home Rule Committee in Elm Hall Wednesday night.

One hundred and fifty people attended the affair which was featured by a burlesque on the recent court hearing at Norristown.

Climax of the skit was the entrance of four pall bearers carrying the merger "petition" to the strains of a funeral march. The curtain rang down as "judges" and court "attendants" lustily buffeted the "mergerites" with pigs bladders.

A surprise of the evening was the presentation of an enshrined plaque to Roland Fleer, attorney for the Home Rule Committee, in recognition of his services.

An interesting program of music and entertainment was also presented. High spot, artistically, was songs by the Pennsylvania Railroad Keystone Quartet. Its members were, G. Curtis Hartel, director; W. G. Harshaw, J. C. Mainwaring and A. E. Rodig. G. C. Hallman was the accompanist.

Bean Ahren's Orchestra furnished music, and Will Lawrence, old-time minstrel ace, acted as master of ceremonies. Christie, piano accordion player, was enthusiastically received and Frazel, billed as the "peerless Prestidigitator," amused the audience with tricks of magic.

The burlesque court hearing skit, entitled "The Merger Bust or the Sorry Fate of a Putrid Petition," had in its cast Arthur L. Cooke, W. Elmer Titus, George O. Schroder, S. A. Randolph, Robert C. Collins, Walter G. Case, Charles H. A. Chain, John R. Greenhalgh and Albert C. Miller. Petition porters were Masters C.

Performing with verve and finish worthy of a professional troupe, the Bala-Cynwyd Community Choral presented the rollicking Gilbert & Sullivan operetta, "The Pirates of Penzance," at the Woman's Club of Bala-Cynwyd last Friday and Saturday nights.

Capacity audiences attended the performances and gave every indication of thoroughly enjoying every moment. Friday night's performance filled the house, while Saturday's audience overflowed into the foyer of the clubhouse.

High spots musically in the operetta were the singing of Gladys Buzby Darwin as Ruth, the piratical maid; Albert Weidensaul's performance as Richard, the pirate chief, and the duets of Rosemary Mueller and

## Carr and McGarry Elected Active Members of Fire Co.

At a recent meeting of the Narberth Fire Company, George Carr and Daniel J. McGarry were elected to active membership.

A special meeting of the Board of Directors of the fire company was called Tuesday evening in the Council chamber to ask the borough for permission to make a minor change in the office of the superintendent of public works.

Andrew Canale, who took the parts of Frederic, the pirate apprentice, and Mabel, youngest daughter of the major-general.

Acting honors were carried off by Warren Holland in the difficult role of Major-General Stanley, who succeeded in bringing out to the full the mirthful nonsense of the part. He handled the rapid-fire singing with ease and did some excellent solo work, particularly in the second act.

James Tilbury as Edward, sergeant of police, sang pleasingly and added effective dramatic touches to the role. Robert Greenwood was satisfactory as Samuel, pirate lieutenant, while Matilda Happold took the part of Edith capably. The roles of Kate and Isobel, daughters of the general, were

Many reservations have been made and a large gathering will help swell the proceeds, which have been pledged by the Board of Directors to the Royer-Greaves School for the Blind at Collegeville.

Entrance tax is payable at the door. Dancing will begin at 9. The Overbrook Golf Club, on Lancaster Pike back of Greenhill Farms, is the place, and everybody welcome!

The Board of Directors met on Monday evening at the home of the president, Miss Alice Francis. Plans were discussed for the musicale and playlet which will be given at the Community Building February 27. Mrs. Spencer Smith, chairman of music and drama, will head the committee for this evening. Refreshments will be served.

Thursday evening Mrs. Edgar Marburg, first vice-president of the State Federation of Women's Clubs, was the honored guest of the Juniors. Presented by Program Chairman Miss Evelyn Jefferies, Mrs. Marburg made a charming and entertaining address, interspersed with whimsical anecdotes.

Miss Alice Francis attended a meeting held at the Valley Forge Hotel at Norristown for junior presidents of the county, at which Mrs. Vanita Savage, newly appointed chairman of Montgomery County, presided. It was at this meeting that the decision was made to adopt the Royer-Greaves School for the Blind as this year's official county project. J. G. M.

## Borough Scouts Take Citizenship Lesson

Boys Take Seats in Council and Conduct Regular Meeting

### "BURGESS" GIVES REPORT

Narberth Boy Scouts had a lesson in citizenship Monday night, when their elected representatives took over management of borough affairs for an hour and conducted the Council meeting in Elm Hall.

Boys assumed the seats of all Councilmen and other borough officials, and, with a minimum of coaching from the sidelines, went through the regular meeting procedure.

Burgess John R. Hall welcomed the scouts and introduced them to the occupants of the posts they assumed temporarily.

Scouts took office as follows: Burgess, Bill Furber; President of Council, Roger Fox; Clerk of Council, Ray Nordblom; Finance Chairman, Roy Burns; Public Safety Chairman, Herbert Roser; Highway Chairman, Roger Graham; Water, Light and Health Chairman, Harrison Berry; Borough Property Chairman, Bill Sargent; Ordinance and Law Chairman, Dick Berry; Building Chairman, Bob McLaughlin; Liens Chairman, Charles Snyder; Borough Treasurer, Charles Palmer; Borough Solicitor, Bill Haywood; Tax Collector, Bill Duncan; Superintendent of Public Works, Bill Cliphsham; Police Officers, Charles Viguers and Bill Finan.

After reading of the minutes of the January meeting by Clerk Nordblom, Council proceeded with the regular business with President Fox presiding.

Burgess Furber presented a report calling attention to the unusual weather conditions of the past several weeks and commending the borough forces for the efficient manner in which streets were cleaned for vehicular traffic.

He also stated that some sidewalks still need attention but that it was the consensus of opinion of the Burgess and Public Safety Committee that no penalties be exacted for failure to clean the walks, due to the thickness of the ice and the difficulty experienced in removing it.

It was recommended that precautions be taken to make sidewalks safe for pedestrians and that they be cleaned at the earliest opportunity.

## Seek Abandonment of Township Dump

Penn Valley Association Adopts Resolution Favoring the Step

### OFFICERS ARE ELECTED

A resolution urging the abandonment of the Lower Merion Township dump in the General Wayne district, Woodbine avenue north of State road, was adopted by the Penn Valley Association Wednesday night.

The action took place at the annual meeting of the organization held in the parish house of All Saints' Church, Wynnewood.

Announcement of a plan under consideration by the township to increase the acreage of the present disposal ground located in the heart of the Penn Valley section brought forth criticism from residents attending the meeting.

In Play Tonight

PEGGY MACGUFFIN of Wynnewood, who plays the feminine lead in "Bunt Pulls the Strings," the comedy which the Narberth Players will present this Friday and Saturday nights at the Narberth Public School.

## "Bunt" Pulls Strings Tonight and Tomorrow

Narberth Players to Give Scotch Comedy in Boro School Auditorium

### HAS 25 IN ITS CAST

A satirical three-act Scotch comedy, "Bunt Pulls the Strings," by Graham Moffat, will be presented this Friday and Saturday evenings by the Narberth Players in the auditorium of the Narberth Public School.

The cast of twenty-five is headed by Peggy MacGuffin, William H. Muller, Bobbie Badger, Jane Nash and Paul Erskine Brown. The curtain is scheduled for 8:45.

"Bunt Pulls the Strings" is a play of life in that section of Scotland which is dominated by a form of Calvinistic faith which makes life on the Sabbath very much of a burden. The audience is introduced into the heart of the family of "Tammie Biggar," who has two children—"Bunt," a winsome lass of twenty, who has the head of a philosopher on her plump shoulders, and "Rab." It is Bunt who pulls the string for everybody. In spite of the outward and visible signs of piety of Mr. Biggar, it soon develops that he is not altogether a saint, for years before he had deserted a woman to whom he was betrothed and he had also used with greater freedom than propriety the funds entrusted to him by a spinster. It was no excuse for him that this money was used to cover a defalcation of his son, since it was his own harsh conduct which drove the boy to such dishonor.

It is here that Bunt steps into the breach. She pacifies the woman whose money has been stolen and makes a

Hall sounded Narberth's virtues and in commercial announcements for local business houses sponsoring the series, the town and its shopping advantages were exhaustively presented.

Second program was given Wednesday of this week, as this paper went to press, and three more are scheduled in the series at 9 P. M. each Wednesday.

There are three winners each week—chosen by votes handed or mailed in by the audience and friends of the performers. The twelve winners of the first three weeks will compete the

## Dr. Anderson Accepts Call to Boro Church

Texas Pastor Expected to Take Up Duties Early in March

### HAS HAD ACTIVE CAREER

The Rev. Arthur E. Anderson, of Cleburne, Tex., has accepted a call to the pastorate of the Narberth Presbyterian Church and is expected to assume his duties in the borough early in March.

Mr. Anderson wired his acceptance of the invitation which was extended to him following a unanimous vote at the congregational meeting February 4.

The Narberth Presbyterian Church has been without a pastor since the retirement of the Rev. Dr. John Van Ness on November 15, who at that time completed a ministry of twenty-five years in Narberth. He was elected pastor-emeritus upon his retirement.

Due to the distance and to the fact that certain routine matters must be effected in both the Presbyteries of Southern and Northern Churches, more time will elapse before Mr. Anderson can settle permanently in the borough than would be the case if he had come from this section of the country.

Mr. Anderson, who is thirty-six years old, was born in Elizabeth, N. J. He is a graduate of Texas Christian College and the Evangelical Theological College of Dallas, Tex., as well as several other institutions. He holds the degrees of bachelor of science, bachelor of theology, master of theology and is about ready to receive his doctor of theology degree.

While doing extensive work in the mission fields of Central America, Mr. Anderson met and married a missionary. They have three daughters, a year and a half, six years and eight years of age. Mrs. Anderson, a graduate of William Harris Teachers' College, St. Louis, is reported to have a very specific ministry of her own, being a fine Bible teacher and leader.

At Lower Merion, McDonnell won renown as a hurdler and received several medals for track and field events. Since his graduation in 1933 he has been employed as assistant manager at the Narberth Theatre.

He is survived by his mother, Mrs. R. T. McDonnell, and by a brother, C. Ashton McDonnell. His father died several years ago.

## Editorial Comment

Due to the unusual weather conditions of the past few weeks, it has been virtually impossible for residents of the township and borough to remove the accumulations of snow and ice from their sidewalks. Municipal regulations requiring cleaning of sidewalks have not been enforced due to the abnormal conditions. The responsibility remains with property owners and tenants, however, to see that sidewalks are made safe by spreading ashes or dirt on icy stretches and cleaning them at the earliest opportunity.

Boy Scouts took over the conduct of the borough and township for an hour this week and thereby gained a practical insight into the workings of their local governments. The boys who played at governing Narberth and Lower Merion are the voters and prospective office holders of tomorrow. By giving them a realization of what participation in the affairs of government means, they will be better equipped when the time comes for them to exercise their privileges as citizens.

Announcement of the sale this week of a 53 acre estate in Haverford to a corporation which plans to develop it with modern homes on tracts of one acre and upwards is indicative of the trend of the times. The old landed estates of the Main Line are becoming a thing of the past and before long those who want their home surrounded by woodland and open country will have to settle farther and farther out the Main Line.

A warning to residents of the Main Line to make sure that they are making contributions to bona fide Salvation Army workers who are now conducting a campaign for funds was issued this week by Lieutenant-Colonel James A. Harvey, divisional commander of the Army, who says that word has come to him that other organizations wearing uniforms similar to that of the Salvation Army, are active in soliciting gifts at the present time. "Every civilian worker of the Salvation Army Maintenance Fund campaign carries an identification card bearing a facsimile of the signature of Blackwell Newhall, campaign chairman," Colonel Harvey said. "Every uniformed Salvationist wears a red band on hat or bonnet with the words 'The Salvation Army' woven into it. Do not be misled by similar uniforms or hat bands without this marking."

A membership drive is being conducted by the club to bring it up to full strength for the campaigns.

## Local Women Greeted by Fletcher on Trip

Republican National Committee Head Speaks at Tea in Washington

### DITTER WAS PRAISED

Henry P. Fletcher, chairman of the Republican National Committee, congratulated members of the Lower Merion-Narberth Council of Republican Women at a tea given in their honor at the Mayflower Hotel in Washington on Tuesday.

The tea, given by Congressman J. William Ditter, was a feature of the annual Washington trip, sponsored by the council for its members and friends. One hundred and six made the trip.

In the receiving line at the tea were Mr. and Mrs. Fletcher, Bertram Snell, Republican floor leader in the House, and Mrs. Snell; Mr. and Mrs. George Darrow, of Germantown; Mr. and Mrs. Harry C. Ransley, of Philadelphia, and Mrs. Ditter.

Peter C. Hess, Lower Merion Township Treasurer, who accompanied the women on the trip, introduced Mr. Fletcher, Mr. Darrow, one of the oldest Republican members of the House, and Mr. Ransley.

Mrs. Hess and Miss Margaret O. Bonade, chairman of political activities of the council, presided at the tea table.

Praise was accorded Congressman Ditter by Mr. Fletcher and Mr. Snell, who expressed the opinion that conditions are ripe for a Republican victory and stated that now is the time for real Republican workers to get busy.

Mrs. John Y. Huber, Jr., president of the council, responded on behalf of those making the trip and expressed appreciation for the hospitality extended.

Others attending the tea included Lambert Cadwalader, of Villanova, mentioned as a likely candidate for Representative at Harrisburg from the First Legislative District of Montgomery County; W. Russell Green, Montgomery County solicitor; Michael Boucher and William A. Clementson, 2d, chairman of the Ardmore Young Republican groups.

The trip included a visit to the Supreme Court, which was in session, and to Congress, where both houses were in session. A sight-seeing trip was also taken about the city.

Mrs. H. G. Greenwood was chairman of arrangements for the trip.

## Scott Re-Elected as G.O.P. Group Head

Election of officers featured the organization meeting of the Republican Citizens' Committee of Lower Merion and Narberth, held Tuesday night at the Arcadia Restaurant, Narberth.

Harold W. Scott, of Merion, was re-elected chairman of the organization. Vice-chairmen chosen are John A. Lafore, Jr., of Merion; Frank A. Schrepper, of Narberth; W. Ivan Simpson, of Merion; Lloyd A. Unger, of Cynwyd; and Walter D. Fuller, of Penn Valley. Leonard C. Dill, Jr., of Overbrook Hills, was elected to the combined post of secretary and treasurer.

The following were also elected: George F. Baer Appel, of Wynnewood, as chairman of the Executive Committee; J. A. Lafore, Jr., chairman of the Finance Committee, and Bernard R. Fischer, of Ardmore, head of the new Membership Committee.

At a recent meeting of the organization's Executive Committee announcement was made of the election of Peter C. Hess, of Bala, as honorary chairman and Fred C. Peters, of Ardmore, and William G. Hower, of Bryn Mawr, as honorary vice-chairmen.

Plans for the organization of the group in each election district of the township and borough were discussed at the meeting.

Speakers included Mr. Hower, Magistrate Franklin P. Kromer, Township Commissioner Thomas W. Hammonds.

Refreshments were served at the conclusion of the meeting.

## Dennis O'Neill to Speak at Democratic Luncheon Club

The February meeting of the Democratic Women's Luncheon Club of Lower Merion and Narberth will be held at the Roger Conant Arms, Montgomery avenue, Haverford, on Wednesday, February 19, at 1 o'clock.

Dennis O'Neill, of Norristown, will be the guest speaker. Miss Frances Dougherty, of Haverford, will read a short paper on primary elections.

All who are interested are cordially invited to attend. Reservations may be made by calling Mrs. Vincent Russell, Ardmore 1096-W.

## The Grist Mill

The Grist Mill inadvertently made it appear last week that Senator Guffey was in the coal business. The item about WPA sewing classes stated that school authorities refused to sign a lease for the use of school rooms because the contract submitted by the Government contained a clause to the effect that "all coal for heating any buildings used for WPA projects must be produced by collieries owned or controlled by Senator Joseph F. Guffey." While the statement makes sense, it constitutes one of those typographical errors which make editors' hair prematurely gray. The error consisted in the dropping of two lines of type. It should have read: "... all coal used for heating any buildings used for WPA projects must be produced by collieries owned or controlled by operators complying with the terms of the coal act sponsored by Senator Joseph F. Guffey." What a whale of a difference a few lines make! Our apologies, Senator, for the error.

John Burns, son of Arthur W. Burns, leader of the merger movement in Narberth, was one of the Boy Scouts who took office for an hour Monday night and conducted a meeting of Council. John, a member of Narberth Troop 1, acted as chairman of the Finance Committee and presented a resolution authorizing an additional payment to the water company for service rendered during 1935.

## The Political Pot

Political interest locally remains centered around the Republican candidates for Representative at Harrisburg from the First Legislative District of Montgomery County. There are now reputed to be eight candidates in the field, all from Lower Merion and Narberth, but the strange part of the situation is that the two whose chances of success are foremost, according to the political wiseacres, have not yet placed their petitions in circulation.

Samuel K. McConnell, Jr., of Penn Wynne, and Lambert Cadwalader, of Villanova, are the favorites, according to some observers. McConnell is expected to commence circulation of his petitions shortly. It is considered not without significance that Mr. Cadwalader attended the tea given at Washington on Tuesday by Congressman Ditter to members of the Lower Merion-Narberth Council of Republican Women.

The newest candidate to join the flock is Charles E. Claghorn, of Narberth, who was a candidate against Fred C. Peters in 1934. It is understood that E. E. Burlingame, of Bryn Mawr, president of the Lower Merion School Board, is not particularly anxious to seek the nomination in view of the crowded field. Petitions are in circulation for J. J. Skelton and Walter R. Faries, of Cynwyd; Mrs. Margaret Town, of Narberth, and Miss Blanche E. Meeser, of the General Wayne district of Lower Merion.

Monday, March 9, is the last day for filing petitions for the Representative post with the Secretary of the Commonwealth, while the following Monday, March 16, is the final day for withdrawal. Which means that not until after 16th of March will it be definitely indicated whose names will appear on the ballot at the primary for the Legislative post from the First District of the county.

The sale of oysters from New Jersey has been banned in Main Line restaurants, taprooms and stores by the State through local Boards of Health.

## Local Movies

### "Whipsaw" at Narberth; Shirley Temple Coming in "The Littlest Rebel"

"Whipsaw" brings to Narberth this week-end Myrna Loy and Spencer Tracy in a delightfully novel, exciting and humorous crook drama. Added Saturday at 1 P. M. is Gracie Allen in "Love in Bloom."

"The Man Who Broke the Bank at Monte Carlo"—perhaps the screen's longest title to date—is coming Monday and Tuesday, and it is expected to live up to the title. Ronald Colman stars as only he can, in a debonair characterization that is loads of fun—and very exciting.

Tuesday at nine valuable gifts will be presented. The gift night has been changed from Thursdays at the request of fans who didn't want to miss it, and yet preferred not to attend movies Thursdays, because that would crowd their week-end schedule too much.

Next Wednesday Gary Cooper and Ann Harding will appear in a beautiful romance, "Peter Ibbetson," and on the stage at nine there will be given the third in the theatre's series of Amateur Auditions.

Coming the end of next week is Shirley Temple's latest, "The Littlest Rebel," an adorable characterization every bit as good as her previous big hits.

### "Millions in Air" and Disney's "Music Land" on Egyptian Current Bill

"Millions in the Air," an amusing farce which has as its theme the radio amateur hour, is at the Egyptian this Friday and Saturday, with the personal recommendation of Manager Joseph Conway. Diversified talent is shown by a group of likable youngsters who include John Howard, beautiful Wendy Barrie, Robert Cummings and Eleanor Whitney—world's fastest tap dancer; a touch of old-time vaudeville is furnished by the inimitable Willie Howard.

"Music Land," an accompanying short subject, is Walt Disney's new Silly Symphony—a romance of jazz and symphony in delightful color.

"Mr. Hobo," Mr. George Arliss' latest, is another in his gallery of delightful characterizations; at the Egyptian next Monday and Tuesday.

"Mimi," due Wednesday and Bank-Night-Thursday, brings Douglas Fairbanks, Jr., and Gertrude Lawrence in a rather daring studio romance that was screened abroad. On the same program is a new cartoon depicting the adventures of Henry, the prodigious youngster, who daily amuses Philadelphia Inquirer readers.

Dickens' "Tale of Two Cities," one of the year's most outstanding films, is booked for the end of next week. Ronald Colman heads the all-star cast.

## JOSEPH CONWAY Says . . .

It doesn't take great stars to make a great picture. That is why I am willing to give you your money back if you don't have the time of your life when you see "Millions in the Air," Paramount's laughing success of 1936, with Wendy Barrie, Willie Howard and other none-too-well-known stars.

"Millions in the Air" is grand entertainment. Enjoy it, at the Egyptian this Friday or Saturday, or—yes, double your money back.

Our Inheritance  
of Land and Water...

Man inherits traits and tendencies from his ancestors... but he also inherits many things from the earth which dictate his occupation.

Where the land stretches out to the sea, men are apt to become sailors... fertile land makes farmers... brooks and streams furnish power to operate mills... and the minerals in the ground favor miners and furnish raw materials for manufacturers.

These natural factors, with their origin reaching away back into geological history, determined the manner in which the early settlers were to earn a living.

The iron and lime deposits in the Whitmarsh and Chester Valleys were responsible for the beginnings of great industries in the Philadelphia area. The Schuylkill River was a natural channel for transportation. It made possible the ready and economical transportation of goods.

In all these events water has played an important role. How the passage of water moulds the land and digs deep the river beds, how the ancient seas and bogs made possible our minerals, how our early settlers made use of water for transportation and manufacturing, are all fascinating subjects to be taken up in succeeding narratives.

### Troop 125

Troop 125 went to Russia—at least in fancy. During the Monday night meeting the girls learned part of a Russian folk-dance, under the direction of Miss Mabelle H. Rose, of Merion, a member of the Troop Committee. The girls will give this dance with another folk song at the folk dancing festival to be held at Bryn Mawr on February 29.

Before Miss Rose came, we played a game called "Stalking the Deer." Two girls are blindfolded. One is the hunter, the other the deer. It is very funny to watch the blindfolded hunter try to catch the equally blind deer!

The girls also learned the song "Walk, Shepherdess Walk" and rehearsed Brahms "Lullaby." Both these songs will be sung at the festival.

The girls went dancing out of the scout room and went home.

discovery that the funds which had been used by her father rightly belong to Weelum, the local carpenter to whom she is engaged. But this discovery is not made until after she and her lover, in order to save her father, sacrifice the money that she had saved to start them on their married life.

As Alan Dale, the critic on the *American*, said: "What a perfectly sumptuous relief to spend a couple of hours at the theatre in an atmosphere of life, reality, quaint humor, simplicity and repose, to get away for once from the trickery of the stage, to seem to live with a set of clean-cut characters and to dwell for the nonce among human beings—could anything be pleasanter?"

### Paul Goodyear in Play

Paul Goodyear, a prominent member of the Narberth Players, is appearing with the Cap and Bells Club of St. Joseph's College in the play "First Legion," by Emmet Lazery, a major production of the year. Goodyear has one of the leading parts in this play which was produced on Wednesday night in Wilmington. It will also be produced at the Penn Athletic Club in Philadelphia this Friday evening. Later in the season the play is scheduled to be given in Baltimore. Goodyear is the only freshman of the college in the cast.

## LADIES: Get your free sample and recipe book at your door

OUR representative will call at your home this week. He will give you a sample package of Kellogg's ALL-BRAN, and a helpful booklet containing many delicious recipes free.

You can't realize how good ALL-BRAN muffins are until you try them yourself. This sample will make eight muffins. Just follow the recipe. Then try the other delicious recipes in the booklet. And remember, ALL-BRAN is equally tempting as a cereal, with milk or cream.

We hope that ALL-BRAN will help you in guarding the health of your family against the dangers of common constipation. One of the very real satisfactions of our business has been the thousands of thankful letters we have received from people who have benefited greatly from this product.

**Kellogg**  
OF BATTLE CREEK

## Are you serving enough "bulk" in your meals?

MILLIONS of meals served in American homes today lack the "bulk" needed for regular habits. Too often, these meals lead to common constipation, a cause of headaches, loss of appetite and energy.

Kellogg's ALL-BRAN supplies generous "bulk" in mild form. Also vitamin B and iron. Scientific tests show it is a gentle, natural laxative food for normal people.

Try the sample. Either as a cereal, or in cooking. Then get the full-sized package from your grocer, so that the whole family may benefit from its use. Serve ALL-BRAN regularly for regularity. Made by Kellogg in Battle Creek.

If you are not at home when our men call, and do not get your booklet and sample, write us and we will gladly send them to you.

## Road's Condition is Referred to State

Wynnewood Avenue Needs Repairs, Council Hears; No Word Received

### IS A STATE HIGHWAY

The bad condition of Wynnewood avenue from the railroad underpass to Rockland avenue has been called to the attention of the State Highway Department, it was reported at the February meeting of the Narberth Borough Council Monday night.

Responsibility for construction and maintenance of this section of road was assumed by the State on January 1, in accordance with an agreement with the borough.

No reply has been received from Harrisburg, it was stated, regarding repairs to the highway.

It was also announced at the meeting that the State has taken over construction and maintenance responsibilities of the concrete culvert spanning Indian Creek at Wynnewood and Woodside avenues.

This culvert was built by the borough at an approximate cost of \$6,000 as part of the Indian Creek drainage project.

The report of Robert F. Wood, chairman of the Highway and Sewer Committee, indicated that the sanitary sewer plans, which Clifford W. Bates was authorized to prepare, have been completed.

A recommendation that Mr. Bates be paid the balance due him of \$150 for the work was approved. At the January meeting he was authorized to do the work for the sum of \$400.

On Mr. Wood's recommendation, the Highway Committee was authorized to secure bids for a new heavy duty motor truck to replace the borough's old Autocar truck, purchased nine years ago. The Autocar is to be traded in.

His report also stated expenditures during the month of January amounted to about \$150 more than usual owing to the necessity of hiring extra men and equipment to clear away snow from the business districts.

The changes are found in four phases, Dr. Jones said—in revised college entrance requirements; emphasis on the social sciences; the attitude toward the cinema; the growing influence of the state in education. This last development was deplored by the speaker.

The tendency today among the colleges is to recognize for entrance credits a much wider group of studies than formerly would be accepted. Thus the rigid unit system is being broken down in favor of a more liberal preparatory curriculum.

Social sciences are getting their full measure of attention, Dr. Jones pointed out, and in this the schools are in line with public consciousness of social problems. Similarly, recognizing the powerful influence of the movies on youth, the schools are now attempting to teach the movie goer discrimination—to encourage the selection of good shows and to teach the school child to understand what he sees.

The speaker fears the growing attempt of the state—as vested in the political system, to interfere with education. This, he said, takes the form of loyalty oaths, censorship of books and laws forbidding the teaching of certain subjects.

EDITH E. ELWOOD

Services are at 11 A. M. this Friday at All Saints' Church, Wynnewood, for Edith Eleanor Elwood, who died suddenly Tuesday afternoon at the Osteopathic Hospital of a heart infection. She had been recovering from a mastoid operation performed January 2, and despite her extreme weakness, the result of seven months' illness, her apparent physical improvement and her courage were such that the end came as a shock.

She was the wife of Thomas A. Elwood, editor of *The News of Bala-Cynwyd*, whom she married seven years ago when she was society editor of *The News* and associated papers.

She was active until her illness in the Junior Woman's Club of Bala-Cynwyd.

Officiating at today's services is the Rev. Gibson Bell, rector of All Saints' Church. Interment is to be made in Mount Moriah.

In addition to her husband Mrs. Elwood, who was 28, leaves two children, Phyllis Joyce, 5, and Tommy, 3; her parents, Mr. and Mrs. Joseph D. adequately filled by Mary Ancona and Peggy MacGuffin.

The chorus, always important in Gilbert & Sullivan, sang with excellent tone and precision, giving evidence of thorough training under the director of the production, Alessandro Angelucci, whose ability as a dramatic coach was also indicated by the stage presence and ensemble work of the chorus of daughters, pirates and policemen.

An amusing touch in the production was the interpolation of two verses sung by the sergeant and police "kidding" the president of the choral, Harry Fisher, Superintendent Smith, of the Lower Merion police, and the director, Mr. Angelucci.

Dancing was enjoyed by the audience following Saturday's performance, with music furnished by San Hansen's Orchestra.

Marjorie McHale, choral accompanist, played for the performances, assisted by Margaret Squier, who took the place of J. Goffredo at the last moment.

Effective costuming for both cast and chorus was provided by Van Horn's.

Deplores Influence of State in Education

Dr. Barclay L. Jones Cites Four Phases of Changing Times

WAS ROTARY SPEAKER

Education is changing with the times, said Dr. Barclay L. Jones, speaking Tuesday before the Bala-Cynwyd-Narberth Rotary Club. Dr. Jones, headmaster of the Friends' Central School, is a past president of the club.

The changes are found in four phases, Dr. Jones said—in revised college entrance requirements; emphasis on the social sciences; the attitude toward the cinema; the growing influence of the state in education. This last development was deplored by the speaker.

Good Attendance Marks Narberth Players' Meeting

There was a very good attendance at the regular monthly meeting of the Narberth Players Tuesday evening in the auditorium of the Narberth school.

Following a brief business session when the reports of the committees were heard, an interesting program was presented. The first number was a short skit, entitled "While Parents Sleep," by Ellis Warren Cooke. Grace Werner took the part of the girl, while Bob Estes took the part of the boy. Mr. Cooke, the author, was in the audience. This is the second time his skit has been produced, the first performance being at the Toy Theatre in San Francisco.

Ruth Rollins gave two readings, "Little Boy Blue," by Eugene Field, and "That Old Sweetheart of Mine," by James Whitcomb Riley.

The third feature of the program was a talk on the back-stage scene of the Swarthmore Playhouse by J. Bedford Wooley, who took part in the play produced there last week. Mr. Wooley was outstanding in his work in that production. A group from the Narberth Players attended and were pleased with the perfect mechanics of the back-stage scene.

The final feature of the program was light opera music by Miss Margaret Squier.

The impromptus were postponed on account of the need for the use of the stage for the play this week.

The regular meeting of the Narberth Parent-Teacher Association will be held Monday evening, February 17, at 8 o'clock in the Narberth school auditorium.

The subject of the meeting will be the "Contribution of Home Economics to Family Life." There will also be an address on Founder's Day.

The invocation will be given by the Rev. Robert E. Keighton, pastor of the Baptist Church of the Evangel. Salute to the flag will be led by Girl Scout Sonia Anderson, and the P.-T. A. Chorus will sing a few songs.

A social hour will follow the meeting, when refreshments will be served by Mrs. John R. Stam and some girls of the domestic science course of the school.

Under the direction of Miss Taylor, teacher of the domestic science department, several girls will give three short skits, one on manners, the second on table service and the third called "collections." The table service and the collections skits were written by two of the girls.
